

# Artist Bio Creation

Need a bio? Please review the terms and fees and answer the following questions. Copy and paste the questions into a word document and email your answers (WITH THE QUESTIONS) to

[rodeezy@rodeezy.com](mailto:rodeezy@rodeezy.com)

**All fees include a physical color copy of the bio, and an election (.pdf) file of the bio.** One photo can be incorporated into the bio at no additional charge but YOU MUST PROVIDE PHOTO CREDIT or I will not use it.

Additional photos incorporated into the bio are \$15 each. After the bio is done, you will have a chance to review it. If you need any changes or additions to the bio, **my fee is \$10 for each change after the first two.** A change does not include grammar or typing errors; I will make those at no charge of course because that'd be my bad. Also, all bio's are available for use and reprinting (online, press kits, etc) as long as appropriate authoring and photography credit are always given.

## Bio Creation Fee:

**\$150 singular bio creation (in other words, just YOU want a bio)**

**\$100 per person in a group (two or more people)**
